

## **HOMEWORK ASSIGNMENT: Silhouettes**

- 1) Find an object with a complicated / interesting outline.
- 2) On an 8.5" x 11" sheet of white printer paper draw the outline of this object in charcoal or sharpie about 6" tall or wide.
- 3) Fill your outline in so you have a solid black silhouette.
- 4) Repeat these steps with 5 objects.

### **EXAMPLES:**
